

Large Star

Fabric Requirements:

Kathy O'Brien, Nimble Thimbles

Finished size: 60 x 60

Eight fat quarters for star points

Eight fat quarters for background

1. From each of the eight star fabrics, cut out a 15 inch square. Cut remaining fat quarter pieces into 2.5 inch strips for border.
2. Cut the background fabric into Four – 15 inch squares and Four – 14 inch squares. Set aside the 14 inch squares for the corner squares.
3. Cut all twelve 15 inch blocks in half diagonally. (8 star and 4 background)
4. Lay out quilt pieces to create eight star points as in diagram below.
5. One at a time, sew the twelve half squares together. Reposition into layout.
6. Trim the half square units to 14 inches. Reposition and add corner units.
7. Sew 2.5 inch strips end to end to create border.
