

## Dear Gunta Block of the Month - April 2022

This month we'll assemble Row 3 which is comprised of 12 large triangle (flying geese) blocks.

**Important:** Make sure to square each triangle unit to 4" to 12.5"

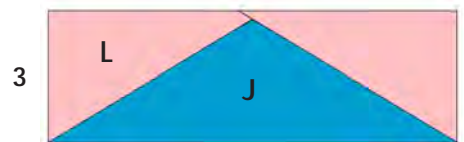

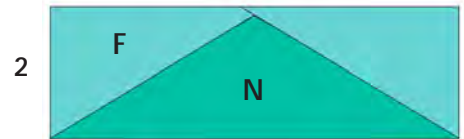

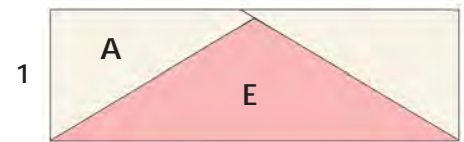

Have fun!

- Using the template on page 11, paper-piece twelve triangles using the following combinations and fabrics:

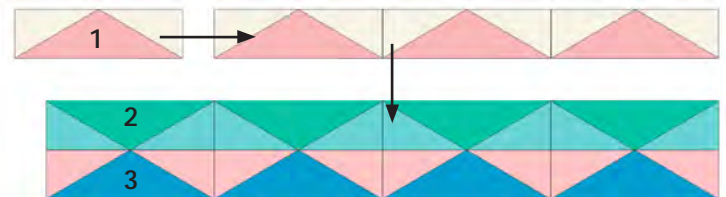

(Make four each)

1. Fabric E 4" x 12-1/2", Fabric A 4" x 9".
2. Fabric N 4" x 12-1/2", Fabric F 4" x 9".
3. Fabric J 4" x 12-1/2", Fabric L 4" x 9".

- To paper piece: center the larger rectangle over the template and sew two smaller rectangles along the stitching line, as pictured. Trim excess fabric to seam allowances.

- Sew the triangles into rows and then sew the rows together.

- Sew a Fabric A 11" x 21-1/2" rectangle to either side of the triangle unit to complete the row.

Row 3
