Assembly Instructions

Row 1

- Place a Fabric A 4" square right sides together on a Fabric C 4" square and draw a diagonal line from corner to corner. Sew a scant 1/4" from each side of the drawn line.
- Cut apart along the drawn line.
- Press flat and trim to 3-1/2" x 3-1/2".
You will now have two half-square triangles (HSTs).
- Repeat to make fifty-six HSTs.

- Arrange the HSTs as indicated in the diagram below, along with two 3-1/2" Fabric A squares and one 3-1/2" x 6-1/2" Fabric A rectangle. Sew together to make two rows and then sew rows together to complete the row.
