

JANUARY 2023 Block Lotto - Half Square triangles

Materials

Three (3) 4" squares in white

Three (3) 4" squares in bright colors

- Make six (6) half square triangles (HSTs) to finish at 3". Use your preferred method to make 3-1/2" HSTs with a white background and a variety of bright colors.

Note: measurements based on two-at-a-time HST construction:

Mark a diagonal line on the white squares. Pair with a colored square.

Sew 1/4" on BOTH sides of the line, then cut apart. Trim to 3-1/2" square.

- Sew HSTs in three pairs, then sew the three rows together to complete a 6-1/2" x 9-1/2" block.

General Guidelines for PHXMQG Block Lotto:

- You receive one entry for each block, or 6 entries per 5 blocks. Winner takes all blocks! These are great starters for charity projects.
