

Feb 2024 - Funky 4-Patch

Improv, Cut-n-shuffle technique

- Layer two pieces of fabric, cut at 9 ½" square. One fabric should be a light green.
- Make a vertical and horizontal slice across the fabrics, at an angle and off-set. Think Funky!
- Swap fabrics in opposite corners to create the 4-patch
- Sew pairs, then rows. Remember that the seams will not nest when working with angled cuts.
- Trim final blocks to 8 ½"

Lotto entries:

1 entry per block

6 entries for 5 blocks

Winner takes all!
